***4 WORDS FOUNDATION INC,'s 12 DAYS OF CHRISTMAS MAMMOGRAM
SCREENING EVENT HUGE SUCCESS***

N. FORT MYERS, FL– For the 4th year, 4 Words Foundation, in conjunction with Radiology Regional Centers, provided mammogram screenings in the month of December to 21 self-paying individuals who had scheduled their annual mammogram screenings during the month of December.

4 Words Foundation realizes that the holiday season can become a financial drain on the budgets of individuals who may need the funds they had set aside for their screening for food, clothing or additional holiday expenses. The officers of 4 Words Foundation realize how important taking care of family is, however they also believe that a person needs to take care of their own health in order to ensure they will be there for family. No one should have to make that decision and this event takes just a small part of the stress out of the holiday season.
